

PRIVACY POLICY Last Updated: August 2026

Company: Vellore Semicon

Website: <https://www.velloresemicon.com>

1. Introduction

Vellore Semicon ("Company," "we," "our," or "us") respects your privacy and is committed to protecting the personal and technical data collected through our website, enquiry portals, and semiconductor engineering consulting interactions. This policy outlines our data practices under applicable regulations, including the Digital Personal Data Protection (DPDP) Act of India.

2. Information We Collect

We collect minimal and relevant information necessary to deliver high-quality semiconductor design, physical design, and VLSI engineering solutions:

- **Direct Business Enquiries:** Name, business email address, phone number, company name, and details submitted via our "Start a Conversation" or enquiry modal forms.
- **Recruitment & Talent Data:** Resumes, contact details, and educational background provided by applicants seeking engineering or VLSI opportunities.
- **Automated Site Telemetry:** IP addresses, browser types, operating systems, referring URLs, and user interactions logged automatically via standard web cookies for site performance optimization.

3. How We Use Your Information

Your data is used strictly for legitimate business and engineering operations:

- Processing request for proposals (RFPs), technical consultations, and corporate enquiries.
- Evaluating candidates for engineering roles and talent development programs.
- Improving platform responsiveness, site navigation, and user experience.
- Ensuring web security, network integrity, and fraud prevention.

4. Data Sharing and Disclosure

Vellore Semicon does not sell, rent, or trade personal or corporate data to third parties. Data is shared only with:

- **Infrastructure Partners:** Vetted cloud hosting and IT services operating under strict non-disclosure and data protection agreements.
- **Legal Authorities:** When mandated by applicable Indian law, judicial summons, or regulatory authorities.

5. Data Retention and Security

We apply industry-standard encryption, access controls, and firewall protocols to safeguard your information against unauthorized access, loss, or alteration. We retain business contact details only for as long as necessary to fulfill business interactions or legal obligations.

6. Your Rights

You have the right to request access to, correction of, or deletion of your personal details stored in our databases. To exercise these rights, please submit a request to our data contact team.

7. Contact Information

For privacy enquiries, data requests, or compliance questions regarding Vellore Semicon:

- **Email:** info@velloresemicon.com
- **Website:** <https://www.velloresemicon.com>
- **Location:** Tamil Nadu, India
